 220-240v, 50 HZ, single phase
 2.0kw, 13A plug fuse
 Machine fitted with 2 metre mains lead

Kenco Singles Machine

The Kenco singles machines is a stylish and reliable table top system. It offers a wide variety of freshly filtered hot drinks. As these machines are so reliable and very easy to maintain, they make the perfect solution for offices, meeting rooms and reception areas. There are a wide range of drinks available from a selection of filter coffees, Suchards chocolate and a selection of teas such as PG Tips and Twinings Tea.

By working with the Rainforest Alliance, Kenco is helping to protect the rainforest, as well as the animals, plants and birds that live there. The Rainforest Alliance work alongside farmers to replant trees, restore and protect natural habitat as the demand for coffee is ever growing.
